

Matlen Silver Experience Matters

For over 40 years, Matlen Silver has been in the corner of its clients, understanding their goals, and generating technology solutions that will help reach them.

Let your experience be driven by our experience. Delivering solutions for complex talent and technology needs to Fortune 500 companies and industry leaders through hard work, honesty, and a trusted team of experts, Matlen Silver technology has created a legacy of success that makes a difference in the way the world works.

We Don't Just Staff, We Solve

With a proven record of delivering great IT talent to support client initiatives, we also provide full-service, customized end-to-end IT solutions that allow organizations to grow and innovate.

Through customer-centric service driven solutions, we provide the most instant access to qualified IT talent across the technology spectrum. Our comprehensive automation tools have been refined for over four decades, assisting the most qualified staff to ensure our clients receive the best candidate to perform their project needs.

Our expertise is expansive, but tends to focus around these cores:

Application &
Development
Testing

Infrastructure &
Deployment

Professional
Services

Talent
Management

Big Data
Analytics

Project
Management
& Business
Analysis

Staffing

Design &
Development

Who we are

We are a team of technology staffing experts that places our CORE values at the center of everything we do. We ask ourselves daily how we are applying the values of INTEGRITY, WORKING HARD, TRUSTING IN THE TEAM, and BEING THE DIFFERENCE to our interactions with our client, consultants, and colleagues.

At Matlen Silver:

- We work hard and smart, because we appreciate how important it is to work to live, not live to work.
- We intend to do right with each and every engagement
- We bring our genuine selves to every interaction
- We create memorable experiences by being the difference in your day

Our ability to staff the right IT person in the right role continues to drive success for the consultants and clients we work hard for.

With access to a world-class team of top tech experts, we deliver customized end-to-end IT solutions to help our clients achieve their desired digital transformation.

But don't take our word for it. Let our results and recognition speak for themselves:

- 47th Largest IT Staffing Firm in US as Recognized by Staffing Industry Analysts (SIA).
- Named one of SIA's Fastest Growing Firms
- Received the TechServe Alliance Excellence Award Multiple Times
- An NPS that is 124% Higher than the Industry Average
- 5+ Years of 40% Year-Over-Year Growth
- Inc. 5000 Fastest Growing Private US Company List
- Staffing Team with 100 Years of Combined Experience
- AgileOne Supplier of the Year
- nextSource Keystone Recognition Program Talent Provider Finalist

40%

of our consultants are retained and placed on multiple assignments
