

Hire Our Heroes

Through our SourceVets™ program, Rangam Consultants, Inc. partners with you in hiring our heroes. We take pride in representing US military veterans among our distinguished candidates and consider it an honor to provide opportunities to those who have defended our country and our values with organizations like yours.

Around 250,000 brave men and women of service return to civilian life every year ready, able, and willing to work. When you hire a veteran, you employ unique skills and abilities that only one who has served can bring to your organization through their lived experiences. Among those qualities are:

- Trust-worthy
- Dependable
- Loyal
- Team player

Honor Brings Gain

SourceVets™ attracts, prepares, and supports veteran talent into sustainable career opportunities with your organization.

Veterans have proven time and again the resilience and remarkable qualities that make them valuable hires for all positions across business sectors, position types, and role levels, including, but not limited to: Administrative, Business Professional, Clinical, Engineering, Finance, Healthcare, IT, Sales, and Scientific.
