

About Netpeak

We are a global marketing agency with 18 years of experience building predictable, cost-effective user acquisition from paid channels. We build and optimize advanced PPC strategies, cover implementation, and help our customers through their advertising analysis.

Leveraging our proprietary technology, automation, and advanced analytics, we help businesses get more customers, trim PPC costs, and introduce long-standing, easy-to-operate paid advertising frameworks.

Why Netpeak?

 Proven PPC expertise Our team's expertise is backed up by 187 advertising and analytics certificates issued by Bing, Google, Meta, Microsoft, Amazon, and other organizations.	 Experience across business sizes We have experience helping enterprise giants like Puma or OLX and mid-sized companies across various industries – which means we can empower businesses of all sizes through their growth.	 Flexible and cost-efficient engagement We bring additional cost efficiency by introducing 6 cooperation models and an option to configure a custom one for complex, long-standing projects.
