

Navigate Compliance Complexity with Confidence

Your 24/7 HR Compliance Solution

HR Compliance Made Simple

Whether you're managing one location or multiple states, VirgilHR helps you navigate complex employment laws, streamline HR workflows, and reduce risk—so you can focus on your people. Stay compliant and confident with real-time, attorney-built guidance—without spending hours on legal research or paying costly outside counsel.

Chatbot

Submit compliance questions and receive instant, step-by-step legal guidance.

Employee Handbook Builder

Build or update handbooks quickly with customizable, pre-built templates.

Multi-State Comparison Tool

Compare employment laws across selected states to identify key differences.

Resource Center

Access a centralized library of credible HR and employment law resources.

Legal Updates

Receive real-time alerts on new and changing laws that affect your workplace.

Legal FAQ Library

Find clear answers to frequently asked compliance questions.

Contact an Expert

Connect with legal professionals for tailored compliance guidance.

Save time, minimize risk and keep your HR team ahead of every legal change.
