Setup and manage payroll payments via Trust Accounts.

One Platform, BlueOcean
A single, global platform for simple payroll management.

Data Security
ISO and SOC certifications keeps data and audits safe.

Finance Solutions

[Learn More](#)

Streamline your payments, accounting and tax operations worldwide with expert solutions tailored to your business needs.

Accounting

Standard Accounting Services	• Transition seamlessly with document gathering, role definition and process setup • Implement accounting software, manage journal entries and generate reports
Non-Standard Accounting Services	• Customize monthly accounting processes, closing calendars and reporting based on client needs and statutory requirements • Work on client's accounting software, integrate with local accounts, perform Chart of Accounts mapping and generate required reports
Annual Financial Statements	• Prepare notes and supplementary schedules for financial reports, as needed for annual general meetings and other related purposes
Audit and Tax Support Services	• Provide necessary information for year-end tax filings and audits

Tax

Initial Tax Registration	• Register and notify relevant tax authorities of company establishment
Corporate Tax Return	• Compute and submit corporate tax return to the tax office • Prepare tax payment slips
Consumption Tax/VAT Return	• Prepare VAT returns and tax payment slips

Payments

Payment Infrastructure Setup	• Open bank accounts and online banking access (for Market Entry clients) • Establish a payment process, calendar, roles and approval matrix
Payment Execution Services	• Process vendor, payroll and tax payments through your online banking portal • Facilitate in-person bank counter payments using your bank account
Additional Payment Services	• Facilitate additional bank accounts, online access and onboarding payments • Handle bank liaison, notifications, surveys, seals and statement translations
Trust Account Setup and Management <i>For NRP clients</i>	• Open a corporate trust account with online access and beneficiary setup • Establish payment processes, calendars and management roles
Payroll Funding <i>For NRP clients</i>	• Process net salary and payroll tax payments via the online trust account portal
Additional Payment Custodian Services	• Open additional trust accounts and set up direct debit payments • Update processes, prepare cash flow reports and deliver funding requests

Our Global Ecosystem

GoGlobal operates within a global ecosystem of complementary service providers and trusted partners. Recognizing that international expansion is complex, we connect our clients with best-in-class experts to support every stage of their growth journey.

Government Agencies

Support international expansion through market entry guidance, local expertise and access to incentives. They help clients navigate regulatory environments and facilitate both inbound and outbound investment.

Banking & Payments

Enable international operations across traditional banks and fintech platforms, covering corporate banking, local bank account setup, cross-border and multi-currency accounts, as well as payments, FX and digital financial infrastructure.

Technology & Platform Providers

Deliver systems such as HRIS, ERP and automation tools that support global operations, helping standardize processes, improve efficiency and integrate workflows across markets.

HR & Workforce Solutions

HR partners enable global hiring and workforce management through recruitment, EOR/PEO solutions and mobility services, allowing companies to hire compliantly and manage distributed teams across jurisdictions.

Professional Services

Provide legal, tax, audit and financial expertise to ensure compliance and optimize structures, while also supporting operational setup including entity creation and real estate or workspace solutions.

Advisory

Support strategic growth through market entry strategy, M&A, integration and go-to-market development, helping clients identify opportunities and build pipeline internationally.
