

*"An inclusive mastermind community
of real HR pros solving real HR problems."*

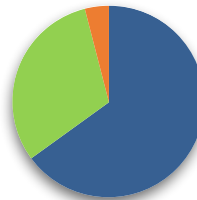

HRHotSeat® is for *anyone* who is convinced that there are better ways to attract, retain, and engage the people who matter most to our businesses.

Our membership includes company-based human resources practitioners of all levels and specialties, as well as consultants, service providers, business leaders, students, and professionals in job transition.

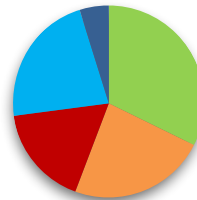

Together, we leverage the power of experience and perspective to tackle the evolving challenges being faced in today's workplace.

Since our very first Meetup on August 2, 2016, the HRHotSeat® mastermind community has grown to thousands of members in chapters licensed nationally.

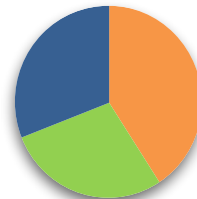

HRHotSeat® events offer attendees the opportunity to make connections, solve challenges, find work, and much more -- all within the unique context of a traditional peer-oriented mastermind group.
