

# WISE analytics

Workforce Insights & Strategic Envisioning

## UNDERSTAND THE WORKFORCE LIKE NEVER BEFORE.

WISE Analytics turns complex workforce data into actionable intelligence dashboards that reveal the hiring strategies, compensation moves, and talent dynamics driving your industry. Whether you're planning headcount, benchmarking salaries, or identifying emerging talent hotspots, WISE Analytics gives you a strong data foundation to make decisions quickly and confidently.

## Intelligence Dashboards That Drive Your Workforce Strategy

WISE Analytics is a comprehensive analytics solution made up of intelligence dashboards in three key areas

### COMPANY INTELLIGENCE

Get complete visibility into hiring patterns, compensation strategies, and workforce dynamics.

### JOB MARKET INTELLIGENCE

Get complete visibility into hiring patterns, compensation strategies, and workforce dynamics.

### COMPENSATION INTELLIGENCE

Access comprehensive pay data and market rates across roles, locations, and experience levels, and workforce dynamics.

# WISE analytics

Workforce Insights & Strategic Envisioning

## Why WISE Analytics?

### POWERFUL VISIBILITY.

See the hiring, compensation, and talent dynamics your competition can't.

### COMPREHENSIVE INTELLIGENCE HUB.

A one-stop data shop for better hiring and workforce planning decisions

### STRATEGIC COMPETITIVE ADVANTAGE.

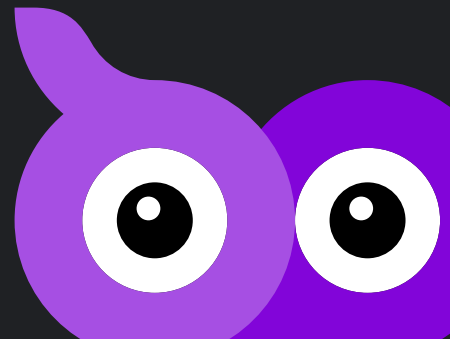

Identify opportunities and threats before competitors know they exist.

### REAL-TIME MARKET PULSE.

Stay ahead of salary shifts, hiring surges, and talent movement in real time.

## The Data Engine Behind WISE Analytics

True workforce intelligence starts with real data. Through strategic partnerships with leading providers, WISE Analytics is powered by millions of global employment data points – professional profiles, employee reviews, job postings from company sites and aggregators, BLS statistics, and WARN notices. What sets Opptly apart is our ability to turn scattered workforce signals into focused business intelligence around what's happening in your organization, your industry, your market, and among your competitors.

## Let's Start Your Intelligence Journey.

Real, business-changing, career-making talent intelligence is just a click away.  
We're ready to show you what WISE Analytics can do for your business.
