

The workforce is changing rapidly

Choose a Managed Direct Sourcing solution to keep up

It's predicted that 50% of all teams will be non-FTE by 2030. As organizations become more reliant on contingent workers, they also need to think about reducing hiring costs, while finding innovative ways to source talent.

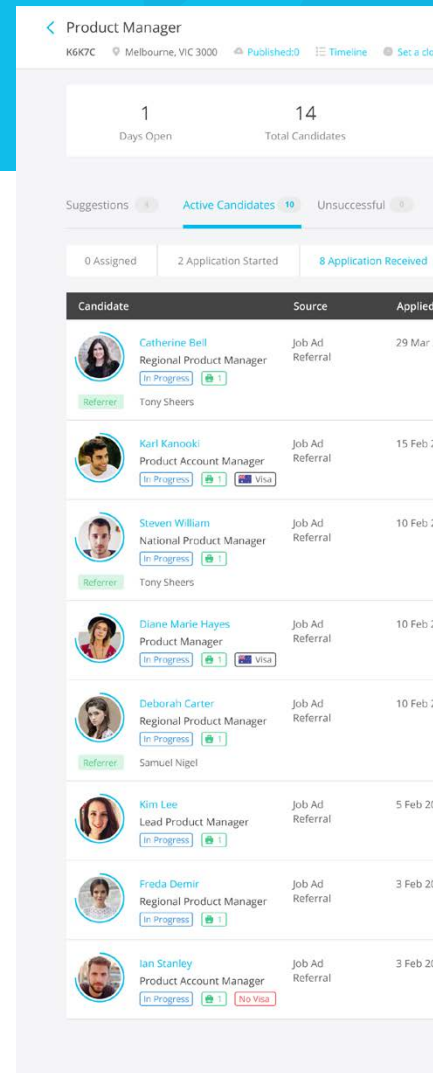

Our Managed Direct Sourcing technology solution allows you to:

- ✓ **Enable Direct Sourcing capability**
With a proven technology platform with over 100+ installations across 14 of the biggest industries, direct sourcing has never been easier!
- ✓ **Reduce program spend**
Reduce pay rate markups by prioritising hires first through your Contractor Talent Cloud, where you own the candidate source and relationship.
- ✓ **Accelerate your time-to-hire**
With a platform that delivers 27% candidate shortlist acceptance rates and a median response time of 17 minutes through native 2-way SMS.
- ✓ **Improve candidate experience**
With a global award winning candidate experience that has the highest candidate net promoter score of all Direct Sourcing Platforms.
- ✓ **Improve quality-of-hire**
Contractors are often the highest quality and most sought after talent in the industry. Win them over with a personalised consumer-like experience direct to your employer brand.

Our results

-  **62%** faster time-to-hire than the industry average
-  **59%** reduction in cost-to-hire
-  **17 minute** candidate response time
