ABOUT SMARTSITES

SmartSites was founded by brothers Alex and Michael Melen, who grew up with a passion for all things digital. With an innovative vision and a lot of hard work, SmartSites quickly became one of America's fastest-growing agencies.

SmartSites operates as a full-service digital marketing agency that specializes in SEO, PPC, Email Marketing, Social Media Management, and Web design. Since our start in 2011, we've managed \$500M in paid search, won 30+ design awards, received 1k+ 5-star reviews, and have worked with almost every industry imaginable.
