

IMAGINE THE IMPOSSIBLE

**AMDARIS**  
An Insight company

# Your trusted partner for extended teams and tailored end- to-end solutions.

Amdaris is a leading software development outsourcer, specialising in tailored consultancy, development, and support services. As part of Insight—a global solutions integrator and US Fortune 500 company with over 30 years of industry expertise—we are dedicated to helping you overcome your challenges and advance in the market.

Headquartered in the UK and with delivery centres worldwide, Amdaris provides exceptional nearshore and onshore talent, minimising language and cultural barriers. Whether you're launching a new product, modernising legacy systems, or enabling AI capabilities, our proven methodologies ensure we deliver meaningful business value from day one.

We're ready to meet the opportunities  
and challenges faced by your business...

GLOBAL  
PRESENCE

Delivery centres in  
the UK, US, and EU,  
alongside additional  
offshore locations.

WORLD-CLASS  
NPS

Our Net Promoter  
Score of 85 reflects  
our exceptional  
client satisfaction.

FORTUNE  
500

Part of Insight,  
a Fortune 500  
Global Solutions  
Integrator.

...and work tirelessly to make  
your seemingly impossible  
ambitions a reality.

**DON'T JUST TAKE  
OUR WORD FOR IT...**

// Our partnership with  
Amdaris is one in the truest  
sense of the word. In delivery  
of their service, and even on  
an emotional level, there's a  
connection between our teams  
and a mutual understanding  
that we can't be successful  
without one another. //

**Dom Dow,**  
CTO, Robert Walters
