

STRIPE PARTNER OVERVIEW

WooCommerce and WordPress payments, built on Stripe

DevDiggers builds and maintains 26 premium WooCommerce plugins used by online stores in 158+ countries. We help merchants accept payments, bill subscriptions and pay out partners with Stripe.

Stripe services

Stripe payment gateway setup

Stripe for WooCommerce checkout, set up, tested and fixed.

Subscriptions and recurring billing

Memberships, renewals and recurring plans on Stripe.

Stripe Connect payouts

Pay affiliates, vendors and partners with Express accounts.

Migration to Stripe

Move a WooCommerce store to Stripe from another gateway.

Custom Stripe API integrations

Webhooks, custom flows and plugins built on the Stripe API.

Faster WooCommerce checkout

Speed work that keeps checkout quick and stable.

Our Stripe App

Affiliate Payouts by DevDiggers

Works with our WooCommerce Affiliates plugin. Affiliates connect a Stripe Express account once, and approved commissions are sent as Stripe transfers from the store's balance. Install it from the Stripe App Marketplace.
