From My Journey to Yours

Hi, I'm Tam, a Clinical Nutritionist and bestselling author of the PCOS Repair Protocol. Nourished Natural Health was born from my own journey with PCOS. After 15+ years of searching, I finally found relief by addressing the root causes driving my symptoms.

I started Nourished to make effective PCOS solutions more accessible so you can feel informed, supported, and in control. I'll never settle, and I'll never stop striving for better for you. ❤️

Relief Starts with Understanding

PCOS affects everyone differently. Knowing what's driving your symptoms is the key to actually feeling better.

1

Insulin-Resistant PCOS:

Most common (80% of cases). Too much insulin raises androgens, causing weight gain, acne, and irregular cycles
