

Who are we?

Harvey Nash are global leaders in recruiting technology and digital talent.

At a glance

-  Over 30 years' experience.
-  A global footprint, with offices across USA, Europe, Asia & Australia.
-  Over 11,000 active contractors working with our clients at any time.
-  We place thousands of permanent candidates each year.

What makes us different?

We're totally dedicated to technology.

- A trusted talent partner to the world's leading brands and technology businesses.
- Our industry defining insights provide a benchmark for organisations on future trends across the world.
- We put the candidate and the customer at the heart of everything we do, delivering talent solutions that transform businesses and lives.

Key services

We're experts in recruiting permanent, interim and contract technology roles:

-  **Technology Recruitment**
Recruiting permanent, contract and exec level technology experts to support business growth plans. From experts in transformation, infrastructure and cyber security to product development, software engineering and AI.
-  **Search and Interim**
Helping organisations find and appoint senior leadership talent: CIOs, CTOs, CDOs, CISOs.
-  **Talent Solutions**
Through our sister brand Flexhous, we offer smarter, faster access and management of talent through a range of specialist services including MSP, RPO and direct sourcing.

Why Harvey Nash?

Our revolutionary approach, Predictive Staffing. Comprised of a combination of a dedicated team tailored to your needs, driven by real-time data. Benefit from a streamlined, single point of contact, rigorous multi-step screening, and a continuous pipeline of vetted candidates, ready for deployment. We prioritize your staffing requirements for efficient, effective solutions.
