

CLOSE SKILLS GAPS WITH OUR SKILLS-TO-STAFF™ PROFESSIONAL APPRENTICESHIP

Employers seek talent with the precise skills to meet business demands, though the ever-widening skills gap and competition for talent make that very hard.

YUPRO Placement helps your organizations close these skills gaps with our award-winning Skills-to-Staff™ professional apprenticeship to fill your in-demand roles.

A MODERN SOLUTION TO HIRING

Our Skills-to-Staff™ professional apprenticeship is a comprehensive contract hiring solution that empowers employers to kickstart a results-driven, on-the-job learning program.

We fill your in-demand professional roles with already skilled professionals, and through our Skills-to-Staff™ upskilling pathways, talent gain the precise skills to your organization needs to sustain your growth.

AN ALLROUND BETTER OPTION

SKILLED PROFESSIONAL TALENT: Unlike other apprenticeships that may target recent graduates, our program focuses on early and mid-career professionals who already possess a solid foundation of skills and experience through nontraditional routes.

TURNKEY: Our streamlined, all-inclusive Skills-to-Staff™ model ensures that corporations can seamlessly implement on-the-job training and start addressing their critical skills gaps in record time.

PREDICTABLE: Skills-to-Staff™ is offered as an all-inclusive flat fee, including all wages, benefits, burden, upskilling, coaching, professional development, and support for talent, which provides employers with complete transparency and cost predictability.

ON-DEMAND: Skills-to-Staff™ talent hit the ground running, offering immediate business results. Then, our upskilling paths bridge skills gaps while building loyalty and engagement that further drives ROI.

FLEXIBLE AND CUSTOMIZABLE

Our program is specifically designed to give you more flexibility to meet your specific business needs.

OPTION 1: INFORMAL APPRENTICESHIP

An informal apprenticeship program with a duration of 13, 26, 39 or 52 weeks with a customizable upskilling curriculum to best align with the precise skills to meet your business demands.

Upskilling pathway tracks:

- **Business operations:** Customer Service, Customer Support, Project Management, and Data.
- **Tech:** Cybersecurity, IT Support, Software Development, and U/X Design.
- **Other:** Digital Marketing and Human Resources.

OPTION 2: DOL REGISTERED APPRENTICESHIP

A Department of Labor (DOL) registered apprenticeship with a duration of 52 weeks, with DOL approved and pre-determined curriculum covering 1000 work hours and 144 hours of structured learning aligned with a specific job title.

Registered program offerings:

- Software developer
- IT support technician
- Data analyst
- Digital marketer

YUPRO Placement has been designated an official Apprenticeship Ambassador by the Department of Labor.
