

Get an introduction to the key features of Asana with Asana Quickstart Training.

Start a new way of collaboration in your company and manage your processes, tasks and projects easily and efficiently with the work management tool Asana. As with any digital transformation, it is important to accompany employees as they get started with the new tools.

Asana Quickstart Training.

As part of the Asana Quickstart Training, you will receive an overview of the core functions and tricks of Asana. This will enable you to learn how to use the project management tool confidently and prepare you for your everyday work.

The training takes place as a 3-hour training remotely or on-site with a group size of 12-15 people.

THE TARGET GROUP ASANA
BEGINNERS
