DROP SHIP WITH WAREHOUSING

04

360° SUPPLY

Includes all the benefits of Option 2 and 3, plus...

Inventory on the ground, your custom products in one place.

Personalized Online Store option.

- Place orders 24/7.
- Optimize shipping costs with flexible freight methods.

Inventory management available.

Enhanced reporting capabilities.

- Real-time stock levels.
- Sales, revenue and inbound delivery tracking.
- Customizable reports and forecasting.

Each month, we ship an agreed number of products to the 5 venues. If the parks run short, they can be confident that stock is available and can be shipped within days.

Uses our 360° Supply option with an online store to streamline ordering across multiple locations eliminating their warehouse and cutting staffing and distribution costs.
