About us

For more than 20 years Intermart has been supplying high-quality bespoke packaging to high-volume users.

We are often up to **20% cheaper than our competitors** due to our substantial buying power and more efficient distribution.

Our lead time is much less too, often 6 weeks.

We make our clients' lives easier by providing a hassle-free and professional service.

A quote from us will **cost you nothing** but could **save your business money!**
