ATLASSIAN

Jira Software

The only project management tool you need to plan and track work across every team.

Moser's team of Atlassian certified experts can assist with Implementations, Migrations, Optimizations and Managing your Atlassian tools.

MADE FOR COMPLEX PROJECTS OR EVERYDAY TASKS

Plan and organize tasks

From short projects, to large cross-functional programs, Jira helps break big ideas down into achievable steps. Organize work, create milestones, map dependencies and more.

Align work to goals

Link work to goals so everyone can see how their work contributes to company objectives and stay aligned to what's important.

Track work your way

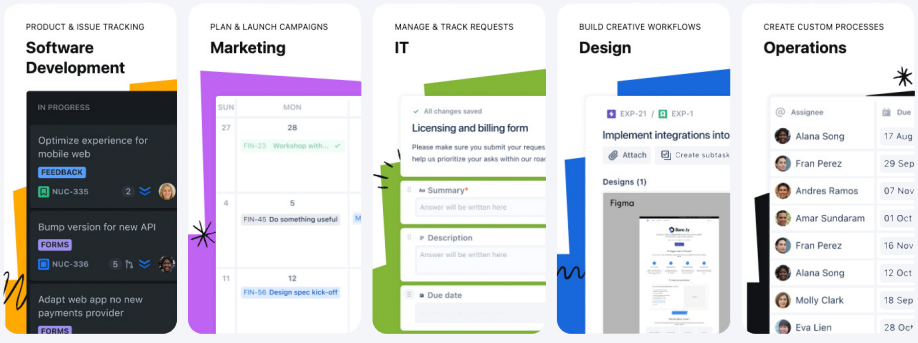

Visualize work with lists, boards, backlogs, and more. Make workflows for any process and integrate with tools you love.

Optimize with insights

Get visibility into project progress, understand risks, and surface insights from real-time data to help you improve team performance.

JIRA IS FOR COMPANIES BIG AND SMALL

BRING EVERY TEAM TOGETHER UNDER ONE ROOF

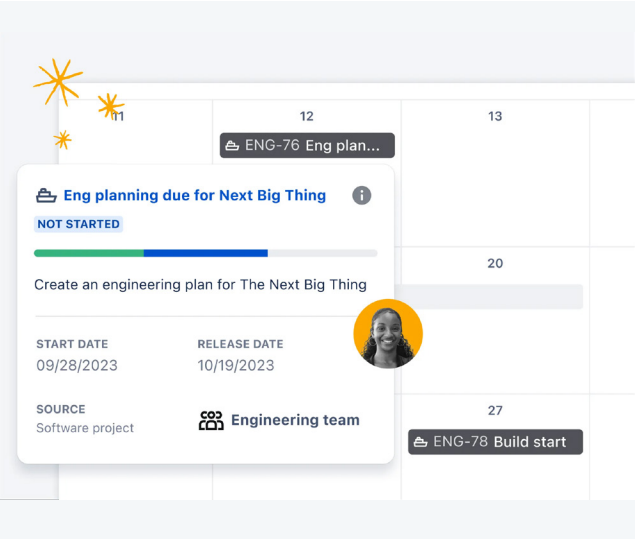

Spend less time trying to get aligned and more time driving projects forward with confidence.

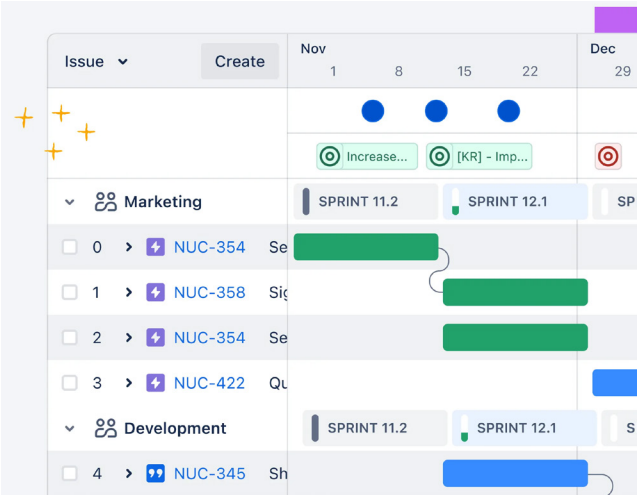

Everything in one place

The context you need, when you need it. See software team release dates, real-time views of Figma designs, and more, all inside Jira.

Tailor it for your team

Configure Jira to match your team's processes, workflows, language, and more. Integrate with every tool you use to get work done.

NEVER LOSE SIGHT OF THE BIG PICTURE

Easily see every team's progress

Track every team's work in a single timeline. Understand progress, map dependencies, and stay ahead of risks.

Map work to company impact

With goals in Jira, it's easy to track all the tasks across projects that contribute to a goal, no matter what team is working on it.Easily see every team's progress.

Let Moser help with the ongoing support of your Atlassian environment. Many times, a user is assigned the responsibility of managing/administering Atlassian tools simply because they are a "Power User". Moser can design a solution that fits your needs, whether using Moser's Managed Services or on an as needed basis. We have the experts that can help! Contact marketing@moserit.com for more info or a demo.

THE MOSER DIFFERENCE

With nearly 30 years of experience, we have built a reputation of trust and dependability. No matter where you are in your technology journey, we have the people and the expertise to help. Our customized approach is based on your needs, and we don't subscribe to an "out of sight, out of mind" policy. Once we sign on, we're with you for the long haul to ensure sustainable, long-term success and guidance, even after our initial project is done.
