ATLASSIAN

Trello

Stay organized and efficient with Inbox, Boards, and Planner. Every to-do, idea, or responsibility—no matter how small—finds its place, keeping you at the top of your game.

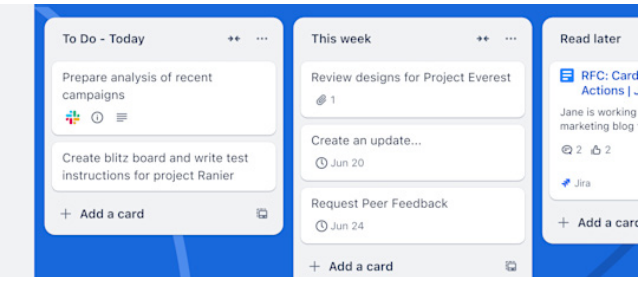

INBOX COMING SOON

When it's on your mind, it goes in your Inbox. Capture your to-dos from anywhere, anytime.

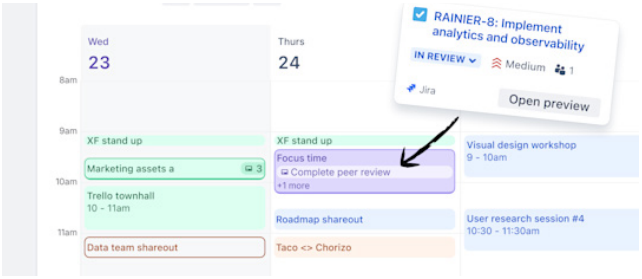

BOARDS

Your to-do list may be long, but it can be manageable! Keep tabs on everything from "to-dos to tackle" to "mission accomplished!"

PLANNER COMING SOON

Drag, drop, get it done. Snap your top tasks into your calendar and make time for what truly matters.

DO MORE WITH TRELLO

Customize the way you organize with easy integrations, automation, and mirroring of your to-dos across multiple locations.

Integrations

Connect the apps your team already uses into your Trello workflow or add a Power-Up to fine-tune your specific needs.

Butler Automation

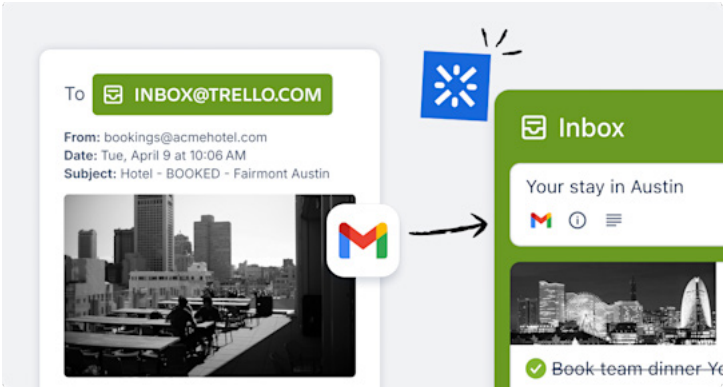

No-code automation is built into every Trello board. Focus on the work that matters most and let the robots do the rest.

Card mirroring

View your to-dos from different boards in more than one place. Mirror a card to keep track of work wherever you need it!

FROM MESSAGE TO ACTION

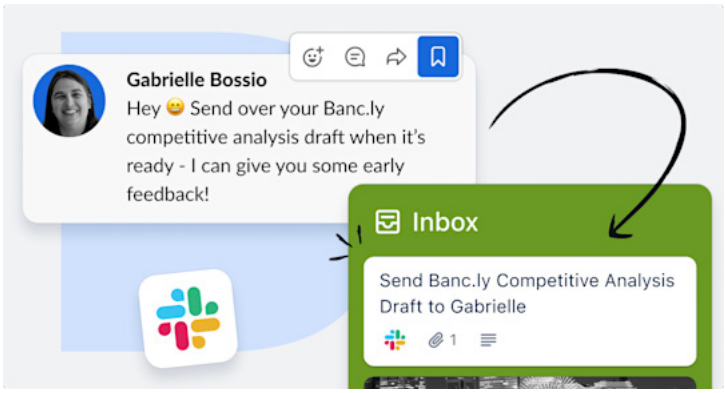

Quickly turn communication from your favorite apps into to-dos, keeping all your discussions and tasks organized in one place.

EMAIL MAGIC

COMING SOON

Easily turn your emails into to-dos! Just forward them to your Trello Inbox, and they'll be transformed by Atlassian Intelligence (AI) into organized to-dos with all the links you need.

SLACK SORCERY

COMING SOON

Need to follow up on a Slack message? Send it directly to your Trello board! Slack's interface lets you save messages that appear in your Trello Inbox with AI-generated summaries and links.

Moser's team of Atlassian certified experts can assist with Implementations, Migrations, Optimizations and Managing your Atlassian tools. Let Moser help with the ongoing support of your Atlassian environment. Many times, a user is assigned the responsibility of managing/administering Atlassian tools simply because they are a "Power User". Moser can design a solution that fits your needs, whether using Moser's Managed Services or on an as needed basis. We have the experts that can help!
