Proliant

Payroll & Tax Services

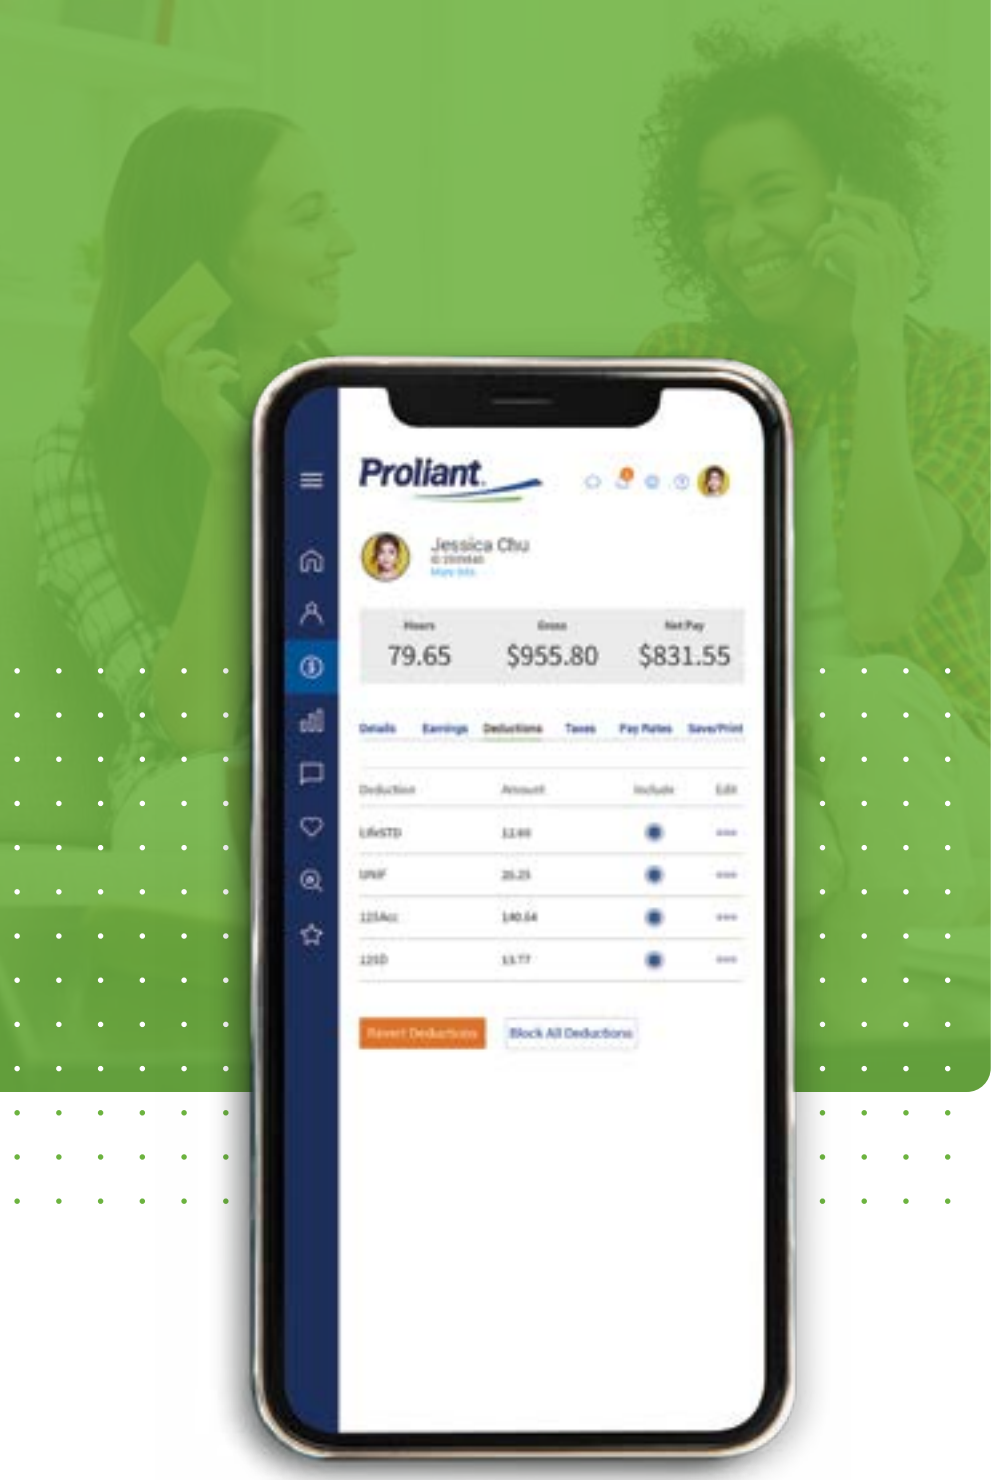

Eliminate compliance headaches and manual spreadsheet entries.

HR and payroll professionals can spend over 90% of their week maintaining multiple spreadsheets and employee records, putting compliance at risk.

Now, imagine a world where everything just works - tax filings, contractor payments, unlimited payroll runs, and more.

- Proliant provides all the tools to pay your people accurately, on time, and without risk from the IRS, ensuring you stay compliant with local, state, and federal laws.

How does Proliant help ensure payroll accuracy and compliance

Mobile Payroll Management
Make payroll changes, run reports, and process payroll from anywhere, at any time. Digital memos remind payroll admins of any changes needed.

Guaranteed Accuracy
Identify any possible payroll issues quickly with our built-in payroll audit feature. Verification testing identifies issues that require fixing before submitting payroll.

Payroll Professionals
Work with our award-winning Certified Payroll Professionals (CPP) to set up your complex payroll and tax rules.

Data Import and Insights
System integration accurately imports hours worked and pay data. A wide range of reports provides comparative analytics on your payroll processing.
