loop x Passport

Seamless Cross-Border Shipping & Returns

INTEGRATE WITH PASSPORT

Expanding your business globally? Ensure a smooth return experience and affordable reverse logistics by integrating Passport with Loop.

+40%

Over 40% of Loop returns end in retained revenue for our brands

Integrate Passport with Loop to expand internationally with confidence. Leverage Loop's user-friendly return portal with Passport's reverse logistics, duty and tax reclamation service, and international customer support to scale your brand.

LEVEL UP WITH KEY BENEFITS

- Eliminate surprise shipping fees with clear and upfront pricing.
- Gain flexibility to scale returns with both direct and consolidated shipping options.
- Enhance the customer experience by simplifying duty and tax reclamation

About Passport, ***What You Get...***
Passport propels brands to global success. As a modern international shipping carrier, we empower direct-to-consumer brands and e-commerce merchants to effortlessly connect with customers worldwide.

Did you know Loop processes over 1.3M returns per month? Find out why over 3,000 brands trust us to improve their return process.
