Glow Dreaming

Customers who add Giftnote on their orders spend more and convert better.

Shopify compatible

One-click install, natively integrated into your Shopify checkout with an easy dashboard for gift management.

All types of gifting

Give customers flexibility with gift vouchers or paperless gift messages for physical gifts.

Email & SMS

Each message can be sent via Email or SMS, styled exactly to match your brand.

Custom integration

We can support custom carriers or bespoke integrations that flow within your pick, pack, and dispatch process.
