

## STAY SAFE • LOVING OUR GUESTS

Here on the River Walk (and indeed all of San Antonio), we love our visitors. We are committed to take extra special care of you during these difficult and uncertain times. Below are some of the measures we are taking to ensure your safety.

### OUR PROMISE TO YOU

- We will continue to be a leader in safe sanitation practices with all team members certified in safe food handling and a certified manager on every shift.
- All employees will pass a health check prior to each shift including a temperature reading.
- Face masks, gloves and other protective attire may be used to protect against cross contamination.
- Hand sanitizer or hand washing stations are available to all customers and employees.
- We are cleaning and sanitizing common areas and surfaces regularly as well as each dining area after every use.
- All indoor and outdoor seating options will comply with the appropriate social distancing guidelines. Signage and floor markings may be used to assist in these efforts.
- Place settings, utensils, menus, and condiments will either be single-use or will be cleaned and sanitized after every use.
- We are temporarily suspending buffets, topping bars and communal serving areas.
- Each shift will have an employee assigned to oversee these protocols and answer questions.
- Implement contactless payment when possible.
- The River Walk sidewalks and fixtures will be sanitized regularly by the city and Centro Ambassadors.
