Bonanza Lacrosse Tournament

Local Girls Teams Duke It Out For West Coast Supremacy

ANTELOPE, CA- The winds are getting chilly and the girls are coming out...to play some lacrosse, that is! That's right, it's the Bonanza Lacrosse Tournament, where our local high school and middle school teams come out to compete with one another, as well as against teams from throughout California and our neighboring states. This year it will be hosted at the Cherry Island Soccer Complex November 8th through the 9th. While this has been an annual tournament, this is the first time it has been hosted in Placer Valley, and we're very pleased to consider ourselves new partners of Bonanza.

Competition is promising to be fierce this year, with rivalries amongst these teams rising to red hot levels, and what better way to settle it than through a no-holds-barred tournament? The notorious Bonanza Lacrosse Tournament formatted as round robin, with four games guaranteed to each team. Games will be structured to have two twenty-two minute halves, with five minutes of halftime in between. Divisions are High School 1, 2 and 3, which hold top varsity players and top college prospects, varsity with some college prospects, and JV and rising freshman, respectively. Middle school is also divided, with Division 1 made for 7th and 8th graders and Division 2 made for 5th and 6th graders.

Think you have a team tough enough to compete with the best of them? Team registration is still open on the tournaments website. For more information, [click here](#).
