

## How to get students enrolled in a Breakout EDU class.

Once a class is created by a teacher, a unique class code is generated. To get students enrolled into a class, teachers must provide the appropriate six digit Class Code for the class.

Class Name	Code	Actions
<a href="#">First Period Science</a>	4FJAXB	<a href="#">Edit</a> <a href="#">Manage Games</a> <a href="#">Shuffle Code</a> <a href="#">Delete</a>
<a href="#">Second Period Science</a>	RYBX7I	<a href="#">Edit</a> <a href="#">Manage Games</a> <a href="#">Shuffle Code</a> <a href="#">Delete</a>
<a href="#">Third Period Science</a>	UAS3OR	<a href="#">Edit</a> <a href="#">Manage Games</a> <a href="#">Shuffle Code</a> <a href="#">Delete</a>
<a href="#">Fourth Period Science</a>	7JTJ14	<a href="#">Edit</a> <a href="#">Manage Games</a> <a href="#">Shuffle Code</a> <a href="#">Delete</a>

Display this code to students to enroll.

Shuffle code to avoid the wrong students from joining

## Student Login Steps

A screenshot of the Breakout EDU student login page. It features the Breakout EDU logo on the left, a padlock icon, and a "Student Login" section with "Username" and "Password" input fields, and "SIGN IN" and "SIGN UP" buttons.

Display or share the class code that is generated when you create a class.

Students will use the following steps in order to register for access.

**Step 1** - Access student login page at: [student.breakoutedu.com](https://student.breakoutedu.com)

**Step 2** - Click on the SIGN UP button.

**Enter Class Code**

CLASS CODE

7JTJ14

Enter the code that your teacher gave you to create an account.

NEXT

### Step 3

Input the class code provided by the teacher and click next.

**Add User Information**

USER INFO

First Name: Joe

Last Name Initial: M

Username (minimum of 6 characters): JoeM123

GO BACK

NEXT

### Step 4

Input First Name, Last Name initial and desired Username (between six and ten characters) then click next.  
*NOTE: The username will be displayed in class.*

**Pick Password**

PASSWORD

Pick a password: .....

Enter your password again: .....

GO BACK

NEXT

### Step 5

Pick a password (minimum six characters) and carefully type it into both fields. Press next when complete.

**Confirm User Information**

CONFIRM

First Name: Joe

Last Name: M

Username: JoeM123

Password: 123456

GO BACK

CREATE ACCOUNT

### Step 6

Confirm the information on screen is correct. If needed, go back and make any necessary changes. If correct, click next.

## Joining Additional Classes

If a student already has an account and needs to add a class, he/she simply needs to login with his/her credentials, click the Add Class button, and input the class code provided by the teacher.

#### MY CLASSES
