Small Group Discussion Questions

Watch the course together with your small group, either in person or virtually. Continue the learning and healing process by using these questions to incite meaningful conversation.

Postvention: Healing After Suicide

Intended Facilitator: Healthcare providers
Intended Audience: Healthcare providers, Peer mentors

- Can losing a loved one to suicide result in increased risk for suicide among those impacted? If so, why might this be the case?

- Siblings often tell us that they are ‘overlooked griever’. Why might this be the case?

- What are some practical ways that survivors can take action to honor the life of a loved one who has died by suicide?
