TIME FOR FILING PATENT OWNER PRELIMINARY RESPONSE

The petition for covered business method patent review in the above proceeding has been accorded the filing date of December 8, 2014.

A review of the petition identified the following defect(s):

Improper usage of claim charts. Claim charts should only be used to provide an element-by-element showing as to where each claim limitation is found in the prior art references relied upon. Patent Owner may file a preliminary response to the petition no later than three months from the date of this notice. The preliminary response is limited to setting forth the reasons why the requested review should not be instituted.
