Dear Counsel:

Yesterday's filing does not inform Mr. Stambler or his counsel of the ground for respective objections with sufficient particularity to allow correction in the form of supplemental evidence. It uses conclusory labels that represent general categories of objections, without explaining how the labels apply to Dr. Nielson's declaration or its paragraphs.

Since there would be a supplemental evidence filing deadline if the document were sufficient, and since the deadline has passed for MasterCard to file a sufficient document, we please kindly request your prompt withdrawal of the document to avoid any confusion. Thank you.

Regards,  
Rob Greenspoon
