

UNITED STATES PATENT AND TRADEMARK OFFICE

---

BEFORE THE PATENT TRIAL AND APPEAL BOARD

---

MASTERCARD INTERNATIONAL INCORPORATED  
Petitioner

v.

LEON STAMBLER  
Patent Owner

---

Case CBM2015-00044  
Patent No. 5,793,302

---

**PATENT OWNER'S OBJECTION TO MASTERCARD'S  
DEMONSTRATIVE SLIDE 10**

Patent Owner Leon Stambler respectfully lodges his objection to MasterCard's demonstrative exhibits. After meeting and conferring on several initial objections, only one area of disagreement remains.

In Slide 10, MasterCard purports to read the "receiving" step of claim 51 onto the technology shown in Figure 7 of Mr. Stambler's own patent. MasterCard had not previously stated, in its Petition or its Reply, that it contended the "receiving" step reads on Figure 7 or its accompanying disclosure. At the oral hearing, it will become clear why this is a significant merits issue.

Therefore, Mr. Stambler objects to Slide 10, and respectfully requests that the Board strike and/or disregard it.
