Organize your music

At myplay, it's easy to manage and organize your online collection.

- Sort your music any way you want: By Track, Artist, Album, Length, Genre, and more!
- Create instant playlists (e.g. search for all "Beatles" tunes, then hit Play or Shuffle).
- Create personalized playlists (e.g "Headbanger's Ball", "Best of the 80's", "Romantic Dinner Music", etc.)
