

SOFTWARE LICENSE AGREEMENT

Agreement made between Fiserv Solutions, Inc., successor to Information Technology, Inc., (the "Vendor"), and the "Client" identified below.

I. LICENSED SOFTWARE

1.1 LICENSE. Vendor grants to Client and Client accepts from Vendor a nonexclusive and nontransferable license to use the software identified in Appendix A (the "Software") under the terms set forth in this agreement. The license herein granted shall commence upon the date of delivery of the Software and shall remain in effect for so long as Vendor's warranties set forth in Article V remain in effect.
