BEFORE THE PATENT TRIAL AND APPEAL BOARD

TAIWAN SEMICONDUCTOR MANUFACTURING COMPANY, LTD.
And
TSMC NORTH AMERICA CORPORATION
Petitioner

v.

ZIPTRONIX
Patent Owner

Case IPR2014-00114
Patent 6,563,133

Filing Date of This Paper: November 27, 2013

Before Administrative Patent Judge Kevin F. Turner
(Cathy Underwood, Trial Paralegal)

**PETITIONER’S RESPONSE TO “NOTICE OF FILING DATE
ACCORDED TO PEITION AND TIME FOR FILING PATENT OWNER
PRELIMINARY RESPONSE”**

In response to the Patent Trial and Appeal Board's ("PTAB's") "NOTICE OF FILING DATE ACCORDED TO PETITION AND TIME FOR FILING PATENT OWNER PRELIMINARY RESPONSE" ("Notice"), mailed November 8, 2013, Petitioner hereby submits herewith a "CORRECTED PETITION FOR *INTER PARTES* REVIEW OF U.S. PATENT NO. 6,563,133 B1" ("Corrected Petition"). The date for response was extended by Trial Paralegal Cathy Underwood during a teleconference on November 22, 2013.

Petitioner filed a "PETITION FOR *INTER PARTES* REVIEW OF U.S. PATENT NO. 6,563,133 B1" ("Original Petition") on November 1, 2013. The PTAB issued the Notice objecting to the spacing under 37 C.F.R. § 42.6 and the claim charts under 37 C.F.R. § 42.6(a)(3) on November 8, 2013. In response, Petitioner submits herewith the Corrected Petition, in which information in the claim charts has been reformatted in paragraph form. Petitioner has also corrected the spacing of identification of the prior art. Petitioner further corrected typographical errors to correctly identify references TSMC1006, TSMC1007, and TSMC1008 as prior art under 35 U.S.C. § 102(b), rather than prior art under 35 U.S.C. § 102(a). Some deletions were made without affecting the substantive arguments. No substantive changes have been made to the Corrected Petition. No changes have been made to the Exhibits, and hence, the Exhibits are not being resubmitted herewith.

Petitioner respectfully submits that the Corrected Petition is in full compliance with spacing requirements under 37 C.F.R. § 42.6 and the claim chart requirements under 37 C.F.R. § 42.6(a)(3), and accordingly, Petitioner hereby requests that the Corrected Petition submitted herewith be accepted and an *inter partes* review of U.S. Patent No. 6,563,133 be granted for reasons specified in the Corrected Petition.

Respectfully submitted,

2013-11-27

/Steven H. Slater/
