**JOINT MOTION TO TERMINATE AND NOTICE OF SETTLEMENT  
UNDER 35 U.S.C. § 317 AND 37 C.F.R. § 42.74**

Mail Stop PATENT BOARD, PTAB  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Pursuant to 35 U.S.C. § 317(a), 37 C.F.R. § 42.74, and the teleconference with the PTAB on November 21, 2014 authorizing the filing of this joint motion, Petitioner Panasonic System Networks Co., Ltd, (“Panasonic”) and Patent Owner 6115187 Canada Inc., (“ImmerVision”), hereby provide notice that they have negotiated a settlement and jointly request termination of the *Inter Partes* Review Case No. IPR2014-01438 involving U.S. Patent No. 6,844,990 (“the ‘990 Patent”). The basis for this Joint Motion is the settlement of the present dispute that relates to the ‘990 Patent between Panasonic and ImmerVision. As required by statute, the parties are filing concurrently herewith, as a separate submission, a Joint Request to Treat Settlement Agreement as Business Confidential along with a true copy of the written settlement agreement in connection with this matter. The parties request that the settlement agreement be treated as business confidential information and be kept separate from the file of the ‘990 Patent.

#### **STATEMENT OF REASONS FOR THE RELIEF REQUESTED**

The Parties have reached a settlement agreement regarding their dispute relating to the ‘990 Patent. Because the IPR has not been instituted and, thus, the Board has not decided this IPR on its merits, the Parties jointly request that the Board terminate this IPR pursuant to 35 U.S.C. § 317(a).

The Patent Owner represents that no district court litigation or ITC proceeding is currently pending regarding the ‘990 Patent, no decision has been

made regarding future litigation, and there is no other related proceeding regarding the '990 Patent in the U.S. Patent and Trademark Office at this time.

Submitted concurrently with this Motion is a Joint Request to Treat Settlement Agreement as Business Confidential, along with a true copy of the written Settlement Agreement between the Parties (Exhibit 1015), as required by 35 U.S.C. § 317(b) and 37 C.F.R. § 42.74(b) & (c).

### **CONCLUSION**

For the reasons stated above, the Parties respectfully request that the Board terminate *Inter Partes* Review of U.S. Patent No. 6,844,990, Case No. IPR2014-01438.

Authorization is hereby provided by Petitioner Panasonic to charge any fee necessary for consideration and/or entry of this paper and/or the settlement agreement to Deposit Account 19-0089.

Dated: November 21, 2014

Respectfully submitted,

Attorney for Petitioner,  
Panasonic System Networks Co., Ltd.
