Paralegal Wilburn:

I am lead counsel for Patent Owner in the above identified IPR proceedings. The Patent Owner Responses in each proceeding are due this Friday, June 19. This email is to advise the Board of the following issues concerning the 2014-01554 and 2014-01557 proceedings. I am generally available this week if the Board has any questions or wishes to discuss the matter further:

1. IPR2014-01554: Patent Owner will not be filing a Patent Owner Response.
2. IPR2014-01557: The Board issued a May 4, 2015, Order [Paper No. 17] authorizing Patent Owner to file a motion to antedate Baird [Ex. 1009A]. After further consideration, Patent Owner will not be filing a motion to antedate the Baird reference. Since a motion to antedate will not be filed, it is also unnecessary for Patent Owner to file a motion for the benefit of the priority date of the underlying provisional application.

Thank you for your assistance in this matter.
