

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

GLOBUS MEDICAL, INC., Petitioner

v.

DEPUY SYNTHES PRODUCTS, LLC Patent Owner

Case IPR2015-00111

Patent 8,623,057 B2

**Petitioner's Unopposed Motion to Withdraw Motion
for Rehearing of Decision on Request for Inter Partes Review**

Pursuant to the authorization granted by the Board on February 1, 2016, Petitioner requests withdrawal of Petitioner's pending motion for rehearing. Patent Owner counsel has been contacted and does not oppose this motion.

On May 1, 2015, the Board issued an Institution Decision (Paper 11) denying the petition challenging the patentability of claims of U.S. Patent No. 8,623,057 ("the '057 patent"). On May 22, 2015, Petitioner filed a motion for rehearing of that decision (Paper 13). On September 18, 2015, Petitioner filed a memorandum of supplemental authority (Paper 14). On October 19, 2015, Patent Owner filed a response to the request for rehearing (Paper 16).

The parties have settled their dispute relating to the '057 patent. In addition, Petitioner is concurrently requesting withdrawal of its motion for reconsideration in two related proceedings (Case No. IPR2015-00099 and Case No. IPR2015-00107) involving the '057 patent. For these reasons, Petitioner respectfully requests withdrawal of the pending motion for rehearing.

Respectfully submitted,

/Jay Guiliano/
