IPR2015-00626 (Patent 7,265,792 B2)

On April 19, 2016, Judges Kauffman, Anderson, and Boucher held a conference call with counsel for the parties. Patent Owner had a court reporter present, and will file the transcript of this call. Because a transcript will be filed, this order is only a summary.

Patent Owner provided contact information for the counsel for the trustee in the bankruptcy case.

Petitioner intends to file a motion with the bankruptcy court seeking permission to act in these *inter partes* reviews.

We informed the parties that the Board is evaluating the applicability of the exception to the automatic stay at 11 U.S.C. § 362(b)(4). Depending on the outcome of this evaluation, it is possible that by April 29, 2016, the Board would order the proceeding to continue with oral argument expected to be May 19 or 20 at the Rocky Mountain Regional Office. Petitioner has a hearing on May 18 in the Alexandria, Virginia Office that may be a scheduling conflict.

The order that all deadlines in these cases are temporarily suspended remains in effect.
