ORDER  
Trial Hearing  
37 C.F.R. § 42.70

---

<sup>1</sup> This order applies to both cases. The parties are not authorized to use this style heading in subsequent papers.

IPR2015-00615 (Patent 7,075,585 B2)

IPR2015-00626 (Patent 7,265,792 B2)

The parties have requested oral argument in each case. The argument for both cases will be on Wednesday, June 1, 2016, at 1:30 PM ET, on the ninth floor of Madison Building East, 600 Dulany Street, Alexandria, Virginia. *See* IPR2015-00626, Papers 30, 33.<sup>2</sup>

Each side will have sixty (60) minutes of total argument time for each case. Petitioner bears the ultimate burden of proof that Patent Owner's patent claims at issue are unpatentable. Therefore, at oral argument, Petitioner will proceed first to present its case with respect to the challenged patent claims and grounds on which the Board instituted trial. Petitioner may reserve some of its argument time for rebuttal. Patent Owner will then respond to Petitioner's initial presentation. Finally, Petitioner may use the time it has reserved to reply to Patent Owner's presentation.

The Board will provide a court reporter for the oral argument, and the reporter's transcript will constitute the official record of the oral argument. The hearing transcript will be entered in the record of this proceeding. A single transcript will be produced for entry in both cases. The oral argument will be open to the public for in-person attendance, which will be accommodated on a first-come, first-served basis.

The Board asks that the parties attempt, in good faith, to resolve objections to the demonstratives. *See CBS Interactive Inc. v. Helferich Patent Licensing, LLC*, IPR2013- 00033 (PTAB Oct. 23, 2013) (Paper 118) (regarding the proper content of demonstrative exhibits); *see also* 37 C.F.R. § 42.11 (duty of good faith). If, after such attempt, objections cannot be

resolved, the parties must request a conference call with the Board no later than May 30, 2016.

The demonstrative exhibits must be served no later than May 27, 2016, and must be filed in accordance with 37 C.F.R. § 42.70(b).

The Board expects lead counsel for each party to be present at oral hearing, although any backup counsel may make the actual presentation, in whole or in part. If lead counsel for either party will not be in attendance at oral hearing, the Board should be notified via a joint telephone conference call no later than two business days before the oral hearing to discuss the matter.

The parties have indicated that they will request the use of audiovisual equipment during the oral hearing. Formal requests are to be made five business days in advance of the hearing date and should be sent to Trials@uspto.gov. If the request is not timely, the equipment may not be available on the day of the hearing.
