04/19/2011	375	ORDER - clarifying the Second Amended Notice issued on April 18, 2011. (Dkt. No. 368.) The Court has set a hearing at 9:30 a.m. on Wednesday, April 20, 011. In the abovestyled case (2:07-CV-565), the only motion on which the Court will be hearing argument is the motion to consolidate. (Dkt. No. 281.) The TPV Case, as it has been

		referred to in the parties briefing, which is Case No. 2:08-CV-478, is also set for a hearing at the same time and the Court will be entertaining the motion to consolidate in that case. Additionally, the court will also be hearing a motion to compel (Dkt. No. 150) that has been filed in the TPV Case. The Court will allow fifteen minutes per side to argue the motion to consolidate. The fifteen minutes is meant to be used collectively in this case and the TPV Case, or in other words, Mondis is allowed fifteen minutes to argue both of its motions to consolidate collectively, and the defendants (collectively between the two cases) have fifteen minutes to argue their response.
