ORDER  
Conduct of the Proceeding  
37 C.F.R. § 42.5

## I. BACKGROUND AND DISCUSSION

On June 16, 2015, we entered an Order (Paper 7) in this proceeding, further to a June 15 conference call, concerning the claim charts of the Amended Petition (Paper 6). The Order directed the parties to meet and confer about what language, if any, to be removed or revised in the Amended Petition, and to further advise the panel if the parties were able to reach agreement on a revised version of the Amended Petition.

On June 19, we received email correspondence from the Petitioner, on behalf of the parties, advising that the parties had resolved the Patent Owner's objections and reached agreement on the form of a revised Amended Petition. Petitioner now seeks approval to file the same.

In light of the previous Order and the parties' resolution of this matter, we find the filing of a revised version of the Amended Petition, containing no substantive changes, to be acceptable.

## II. ORDER

Accordingly, it is:

ORDERED that Petitioner's request to file a revised version of the Amended Petition, with no substantive changes, is GRANTED; and

FURTHER ORDERED that the previously-filed Amended Order (Paper 6) be expunged from the record; and

FURTHER ORDERED that the dates in Notice Of Filing Date Accorded To Petition And Time For Filing Patent Owner Preliminary Response (Paper 5) remain in effect as set therein.
