BUSCH, *Administrative Patent Judge*.

ORDER  
Conduct of the Proceeding  
*37 C.F.R. § 42.5*

The parties submitted an email to the Board indicating that the parties have settled their dispute. This order authorizes the parties to file a joint motion to terminate. Any such motion should be filed no later than Friday, July 10, 2016.

The parties should be mindful of the requirements, set forth in 35 U.S.C. § 317(b) and 37 C.F.R. § 42.74, that any agreement, including any collateral agreement, between the parties made in connection with the termination of the proceeding must be in writing and a fully executed copy must be filed with the Board as an exhibit to the motion to terminate. The motion to terminate should explain why termination is appropriate, provide the status of any litigation involving the challenged patent with respect to all parties in the litigation, and advise whether any future litigation involving the challenged patent is contemplated.

To the extent the parties wish to maintain confidentiality of any settlement agreement, the parties are also authorized to file a motion to treat such settlement agreement as business confidential information and to file such settlement agreement as “Parties and Board Only.” Please refer to the procedures set forth in 37 C.F.R. § 42.74(c).

If the parties still desire a call, the parties should resubmit that request.

Order

It is

ORDERED that the parties are authorized to file a motion to terminate; and

FURTHER ORDERED that the parties are authorized to file a motion to treat the settlement agreement as business confidential and to file the settlement agreement as “Parties and Board Only.”
