PROS

No pros

CONS

- No rear camera
- Lacks Wi-Fi
- Single-core processor
- Too little RAM memory (32 MB RAM)
- It is so thick it needs a personal fitness trainer (0.71 inches inches)
- Resistive touchscreen technology means its display is less sensitive than you would like it to be
- Low resolution display (240 x 320 pixels)
- Lacks an ambient light sensor for automatic screen brightness adjustment
- Lacks a proximity sensor that turns the display off during a phone call
- No front-facing camera
- Lacks global positioning system (GPS)
