Support System

The MRA Support System (MSS)

The purpose of the Support pages here are to provide you, the user, with the information to ensure you can receive maximum benefit from the utility. The following pages provide you with clear guidance on:

- What the MRA does
- Installing the MRA
- Features of the MRA
- Loading Games, Patches and Favorites into the MRA
- Launching the MRA
- Setting up the details correctly in the MRA
- Managing your Games, Patches and Favorites in the MRA
- Managing and developing Skins for the MRA
- About Officially Compliant Patches
- Frequently Asked Questions (FAQ's)
- Tips of the Day

The information provided has been compiled since the utility has been in the field. If you find any information which is unclear then please [forward your comments to me](#).

Sorry -- you need Java for this ticker to work.
