Win a very special prize here this week

Here we have a special prize. We have a chance of winning anyone who subscribes to our Newsletter this week. We are giving away a special prize to mark this special day to mark the fact that anyone who subscribes to it (this includes existing subscribers) will get an early private viewing of the totally new Patches Database

This new version of the database has been rewritten and is now powered by an effective database system. All readers will get the chance to beta test the new system and help us to make it better.

Sign up to our Newsletter to witness the power of the new Patches Database and see all opportunities to build the future.

New G3 Stadium at FIFA Tology

We are currently reviewing the functionality and performance of the site and would like your views on the use of Headline links in the right hand menu. Please vote for the statement that represents your view.

- ☐ I find them useful and would like them available on every page
- ☐ I find them useful but only require them on the main home page
- ☐ I do not find them useful at all
- ☐ My views are different and I will e-mail you my requirements

I just want to remind everybody that FIFA Tology has released a great 194 Stadium, it's the first one that's made in Germany and they think it's a very good one.

So come and take a look at **FIFA Tology**

New Chilean Patch

Franco Carrion, webmaster of **Chilemax** has informed us of the release of a brand new Chilean patch entitled **Liga Chilena 2001**

The new patch contains:

- New camera
- New Nike shoes
- Chilean stadium
- All the teams of the Primera Division Chilena
- New 2GK
- New Sky TV
- All the Badges of the 16 teams
- All the stadium's flags of these teams

Check out the screenshot's above, see all the patch details in the **Patches Database** and then go grab your copy from

Can you change the future?

The answer is yes, you have the power! If you have not yet signed up for our weekly **Newsletter** that is being relaunched this weekend then you are not too late. Due to the existing page that is being offered for signing up we have been asked to extend the closing time for the competition to this Sunday evening to enable all weekend surfers to benefit as well.

For all subscribers of the **Newsletter** by this Sunday evening you will have the opportunity to test drive the brand new Patches Database. You will get the chance to shape the future and suggest improvements for what is already a great step forwards in helping you get the most from the world of Fifa patches.

So if you have not yet received your copy of our weekly **Newsletter** then **click here** and grab your copy and help to make a better future for us all.

Thursday, March 29, 2001**Extreme World Update**

I have just received news from Steven Grbavac that he will be sending his final version of the feature list for the Extreme World Update v1.0 in about a week! He would also like to inform you that the patch will be released around the end of April.

In the mean time visit the **Patches Database** to get the latest and greatest on this patch by **clicking here**
