Counsel,

No conference call is necessary. The parties are authorized to file a joint motion to terminate, or Patent Owner may file a request for adverse judgment under 37 C.F.R. § 42.73(b). In either case, the parties should reference the Judgment of the U.S. Court of Appeals for the Federal Circuit, and confirm, as indicated in the email below, that Patent Owner will not seek rehearing or writ of certiorari of the appellate court's judgment.

**Subject:** Request for hearing or authorization to file a motion to terminate IPR2016-00634

Electronic Arts, Inc. v. White Knuckle Gaming, LLC  
IPR2016-00634  
Request for Authorization to file Joint Motion to Terminate

Good afternoon,

Patent Owner White Knuckle Gaming, LLC and Petitioner Electronic Arts, Inc. request a hearing (or alternatively authorization) to file a motion to terminate IPR2016-00634. The Federal Circuit on appeal from the related district court litigation has invalidated the '575 patent under 35 U.S.C Section 101. White Knuckle Gaming will not seek rehearing or cert for the '575 appeal. Since all claims of the '575 are no longer valid, the parties in this IPR jointly request that IPR2016-00634 be terminated.

Counsel for both parties are available for a conference call at the following times:  
Wednesday between 11:00 am and 2:00 pm ET,  
Thursday between 11:00 am and 4:00 pm ET, and  
Friday between 9:00-10:00 am ET.
