EVERYTHING YOU NEED TO PROTECT YOUR FAMILY AND MANAGE YOUR HOME is all here in one sophisticated, easy-to-use system. Advent Home Navigator gives you seamless integration of home security with several home automation systems. You have the flexibility to control your entire home environment automatically and effortlessly.

Nothing could be simpler. When you come home, just sit back and relax. Because Advent Home Navigator has everything under control. And under the tightest security.

CONTROLLED DEVICES *

THE ADVENT HOME NAVIGATOR

USER INTERFACES

LEAVE IT TO ADVENT HOME NAVIGATOR

Advent Home Navigator adjusts lighting, heating, and arming levels automatically—so you don't have to. It watches for fire, carbon monoxide, and water leaks. In short, it runs the household while you enjoy the comforts of home.

BLANKET YOUR HOME IN SECURITY

ADVENT HOME NAVIGATOR is always watching over your home, whether you're home or away. You'll have peace of mind knowing the most sophisticated sensors available are on the alert, ready to sound an alarm. And when the unexpected happens, Advent Home Navigator gives you what everyone needs most in an emergency: time.

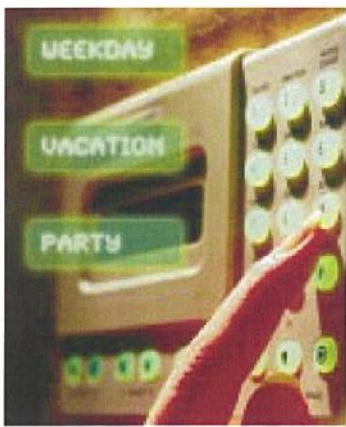

YOU GET THE MOST ADVANCED SECURITY FEATURES AVAILABLE

ADVANCED SPEECH CAPABILITY.
Voice circuitry reassures you when you've armed the system properly and alerts you if you haven't. An extensive 800-word vocabulary communicates vital information clearly and effectively. It calls out the exact nature and precise location of any emergency so you know how to react.

SOPHISTICATED TELEPHONE CONTROL.
Monitor and control security with any touchtone phone—including your cellular phone—at home or anywhere in the world. Any touchtone phone is a panic button in an emergency.

CONVENIENT LIGHT CONTROL
Your system can be programmed to turn lights on and off automatically according to the schedule you want. The wireless system lets you control individual lights at the press of a button—from any room in the house. And lights always come on in an emergency, illuminating your way to safety as the signal goes out to the Central Monitoring Station.

It's ONE OF THE SMARTEST MOVES YOU CAN MAKE. Advent Home Navigator is compatible with today's most sophisticated home automation systems, such as Phast and Crestron. Advent Home Navigator acts as the eyes and ears of these systems, giving you integrated control so everything works in concert.

YOU'LL ENJOY THE COMFORTS OF HOME knowing this sophisticated home automation system has everything under control, from home entertainment, to heating and air conditioning and whole-house light control. And Advent Home Navigator protects your home, family and valuables with the most advanced technology available.

YOU'LL ENJOY THE COMFORTS OF HOME. Because Advent Home Navigator is protecting the homestead and running the household.
