On June 22, 2016, Patent Owner sent an electronic mail message on behalf of the parties requesting a call to discuss a further extension of time to the deadlines for filing Preliminary Responses in the referenced cases. On June 23, 2016, a conference call was convened to discuss the issue.

Patent Owner requested that, in light of the advanced state of settlement discussions, it sought additional two-week extensions to the filing deadlines set under 37 C.F.R. § 42.107(b) for Preliminary Responses in Case IPR2016-00740, Case IPR2016-00741, and Case IPR2016-00742. Accordingly, it is:
