JUDGMENT
TERMINATION OF THE PROCEEDING AS TO PETITIONER
FRONTPOINT SECURITY SOLUTIONS, LLC
37 C.F.R. §§ 42.72, 42.73

¹ This Judgment, and related issues, as to the termination of Petitioner Frontpoint is common to each of the referenced cases, therefore, we issue a single Judgment to be filed in each case.

IPR2016-00740 (Patent 6,542,078 B2)
IPR2016-00741 (Patent 7,113,091 B2)
IPR2016-00742 (Patent 6,828,909 B2)

On June 9, 2016, by electronic mail, the Board authorized Petitioner, Frontpoint Security Solutions, LLC (Frontpoint), and Patent Owner, Script Security Solutions LLC (Script Security), to file joint motions to terminate Frontpoint and joint requests to file the settlement agreement as business confidential in each of these cases. On June 10, 2016, Frontpoint and Script Security filed Joint Motions to Terminate the *Inter Partes* Review with Regard to Petitioner Frontpoint Security Solutions, LLC (“Joint Motions”), pursuant to 35 U.S.C. § 317(a) and 37 C.F.R. § 42.72, and Joint Requests to File the Settlement Agreement as Business Confidential Information (“Joint Requests”), pursuant to 35 U.S.C. § 317(b) and 37 C.F.R. § 42.74(c), in each of the respective cases (Papers 12 (“Mot.”)), 13 (IPR2016-00740); Papers 7, 8 (IPR2016-00741); Papers 11, 12 (IPR2016-00742))². Along with the Joint Motions and Joint Requests, the parties also filed copies of the written settlement agreements (Exs. 2001, 2002), which are represented to be true copies. Mot. 2–3.

A decision whether to institute a trial has not been entered in these cases. Thus, these cases are in the preliminary stages. Frontpoint and Script Security represent that they have settled the litigations between them and have filed all related settlement agreements. Mot. 2–3. Frontpoint also represents that it will no longer participate in these cases. *Id.* at 2.

Under these circumstances, the Board determines that it is appropriate to terminate the proceedings as to Frontpoint. 37 C.F.R. § 42.72.

² Further citations are to Case IPR2016-00740 as representative, unless otherwise noted.

IPR2016-00741 (Patent 7,113,091 B2)
IPR2016-00742 (Patent 6,828,909 B2)

The status of the cases remains unchanged as to Petitioner, ADT LLC, and Patent Owner, Script Security.

It is, therefore,

ORDERED that the Joint Motions of Frontpoint and Script Security to terminate the cases as to Frontpoint are GRANTED;

FURTHER ORDERED that the proceedings are terminated as to Frontpoint;

FURTHER ORDERED that the Joint Requests of Frontpoint and Script Security that the filed settlement agreements be treated as business confidential information and be kept separate from the files of the involved patents under the provisions of 35 U.S.C. § 317(b) and 37 C.F.R. § 42.74(c), are GRANTED; and therefore

FURTHER ORDERED that the documents filed as Exhibits 2001 and 2002 in Cases IPR2016-00740, IPR2016-00741, and IPR2016-00742 be treated as business confidential information.
