5. I have read and will comply with the Office Patent Trial Practice Guide and the Board's Rules of Practice for Trials set forth in part 42 of 37 C.F.R.

6. I will be subject to the USPTO Code of Professional Responsibility set forth in 37 C.F.R. §§ 11.101 et seq., and to disciplinary jurisdiction under 37 C.F.R. § 11.19(a).

7. I have not applied to appear pro hac vice in the last three years in any

8. I am an experienced litigation attorney and have been involved in numerous patent infringement cases in federal courts across the country. I have five years of litigation experience. 9. I have obtained substantial familiarity with the involved patent, the prior art, and the various issues raised in this proceeding. Indeed, I am counsel of record in litigations between the Patent Owner and Petitioner before the District of Delaware. When Patent Owner filed its first litigations in the District of Delaware, I entered appearances on behalf of each Petitioner in April and May 2015. I have been involved with the litigations on a regular basis since April and May 2015. As part of my work in the co-pending district court litigations, I have reviewed the Petition, and the cited materials, and am familiar with the subject matter involved in this proceeding. I was involved in the preparation of the

Petition upon which the Board instituted trial.

10. I received a Bachelor of Science in Electrical Engineering from University of California Los Angeles.

I declare under penalty of perjury that the foregoing is true and correct.
