HOW TO JOIN OR CREATE A FIRETEAM

2/9/2016

ALL PLATFORMS

How to Join an Open Fireteam:

- Launch the in-game menu by pressing Start or Select
- Navigate to the Roster tab
- Select the leader or a participant of your target Fireteam
- Select "Join Fireteam"

How to Create a Fireteam:

- Launch the in-game menu by pressing Start or Select
- Navigate to the Roster tab
- Select the player you wish to join your Fireteam
- Select "Invite to Fireteam"

How to set Fireteam privacy

To set Fireteam Privacy:

- Launch the in-game menu by pressing Start or Select
- Navigate to the Roster tab
- Navigate to the "Fireteam Privacy" button, to the right of your Fireteam.

*Please note: Fireteam Privacy on Xbox One consoles must be set through the Party Application. For additional details, please visit support.xbox.com.

Players may set their Fireteam Privacy to any of the following:

Privacy Setting	Corresponding in-game icon
