Using Mosaic

©1994 by Que® Corporation

All rights reserved. Printed in the United States of America. No part of this book may be used or reproduced in any form or by any means, or stored in a database or retrieval system, without the written permission of the publisher except in the case of brief quotations in critical articles and reviews. Making copies of any part of this book for any purpose other than your own personal use is a violation of United States copyright laws. For information, address Que Corporation, 201 W. 103rd Street, Indianapolis, IN, 46290.

Library of Congress Catalog Number: 94-68835

ISBN: 0-7897-0021-2

This book is sold *as is*, without warranty of any kind, either express or implied, respecting the contents of this book, including but not limited to implied warranties for the book's quality, performance, merchantability, or fitness for any particular purpose. Neither Que Corporation nor its dealers or distributors shall be liable to the purchaser or any other person or entity with respect to any liability, loss, or damage caused directly or indirectly by this book.

96 95 94 4 3 2 1

Interpretation of the printing code: The rightmost double-digit number is the year of the book's printing; the rightmost single-digit number, the number of the book's printing. For example, a printing code of 94-1 shows that the first printing of the book occurred in 1994.

Screen reproductions in this book were created with Collage Complete from Inner Media, Inc., Hollis, NH.

Publisher: David P. Ewing

Associate Publisher: Corinne Walls

Managing Editor: Michael Cunningham

Product Marketing Manager: Greg Wiegand

Associate Product Marketing Manager: Stacy Collins
